Profile

Digital Management student at H-FARM College and Ca' Foscari, and Board member of Lumina Consulting Agency. I take AI from concept to working prototype, and with my teams I have won seven competitions with companies such as EssilorLuxottica, Donna Moderna and The Lux Collective.

Experience

Present
Roncade

Board of Directors and Unit Coordinator, AI & Innovation Lumina Consulting Agency

I coordinate the AI & Innovation unit, streamlining business processes with AI, new software and management systems and building tailored solutions with Google Calendar and digital planners. I sit on the Board of Directors and am part of the Alumni programme.

Jun – Sep 2026
Venice

AI Solution Architect, internship Fiorital S.p.A.

Four-month summer internship: I built enterprise AI platforms integrated with SAP and BigQuery for financial analysis, automating calculations and balance-sheet gap analysis and **cutting tasks that took weeks down to a few days**.

Sep 2024 – Feb 2025
Roncade

Event organiser Emerals

Planned and coordinated events for Europe's largest GTA RP server, from logistics to execution, managing relationships with external partners such as **Universal Music**.

Education

2024 – present
Venice

BA in Digital Management

H-FARM College and Ca' Foscari University of Venice

Digital business and management, with a focus on entrepreneurship, innovation and AI.

2018 – 2024
Dolo

Scientific high school diploma, Applied Sciences track Liceo Scientifico Galileo Galilei

Skills and languages

Design

Figma, prototyping, UX/UI design, user research, design thinking

Development and AI

Agentic coding, SwiftUI, Python, generative AI, SAP and BigQuery

Tools

Adobe Creative Suite, Microsoft Office, advanced Excel, video editing

Ways of working

Leadership, Agile methodologies, problem solving, communication

Languages

Italian (native), English (C2), Spanish (B1)

Hackathons and projects

🏆 1st place and H-FARM Career Lab

Nov 2025

Diary Ally [↗](#)

Challenge with Donna Moderna and Fondazione Libellula

A 100% private, AI-powered emotional diary to fight gender-based violence: it remembers everything the person shares, recognises toxic behaviour and helps spot warning signs before they escalate. I led the technical development. Presented at a press conference and covered by [Donna Moderna](#) [↗](#), online and in print, and by [Il Gazzettino](#) [↗](#).

🏆 1st place

Sep 2026

EssilorLuxottica Business Game Milan

In a team of five, out of about one hundred participants, we won the launch simulation of the new Ray-Ban Meta glasses in the Indian market.

🏆 1st place

Apr 2026

Lumen

H-ACK Robots in Action with Jakidale

A robotic guide dog for visually impaired people, built in 24 hours and fully driven by a locally hosted AI. It moves around people, gives directions such as “after the door, turn right” and takes the person to appointments using their calendar and Google Maps.

🏆 1st place

Apr 2026

The Lux Collective [↗](#)

Luxury hospitality challenge

Drawing on hundreds of studies of luxury travellers, we redesigned coworking and relaxation spaces for digital nomads, with photorealistic 3D renders made with generative AI. On 4 November 2026 we present it at **World Travel Market London**.

🏆 1st place

Feb 2025

Travel Remix [↗](#)

Challenge with OTTOZERO and Alidays

An AI-powered social platform that turns creators' videos into bookable, remixable itineraries, giving the creator a share of every purchase. Selected for possible development as a **NewCo**.

🏆 1st place

May 2026

ING Italy communication plan

Challenge with Caffeina

A communication plan for ING Italy to engage Gen Z on Instagram and TikTok, built on a real client brief. The prize was a visit to Caffeina's headquarters in Parma.

Lumina project

Apr 2026

“How far will you go” campaign

H-FARM College at Aperishow

I led the Lumina team on H-FARM College's campaign at Aperishow, one of the largest events in the Veneto region, running the entire IT side and driving conversions with a very high ROI.

Certifications

Generative AI

H-FARM College, 2025

Mastering Python

H-FARM College, 2024

Effective Storytelling on Social Media

H-FARM College, 2024

Presentation Skills & Tools

H-FARM College, 2024

Excel Advanced

H-FARM College, 2024
